

Kappa Delta Phi

National Affiliated Sorority

Associate Board Volunteer Position and Application Process

Looking for a way to give back to KDP NAS?

You will have many opportunities to give back as well as develop new relationships with the board members that become lifelong friends. Interested in working with the undergraduates? As a Field Representative you can lead and guide chapters to success. Interested in the inner workings of the sorority and what it takes to run a National organization? Committee work may be the best path for you. From helping create new merchandise, to planning National meetings, there is a committee that would be happy to hear your thoughts and implement your skills!

What are the commitments as a board member?

You are encouraged to attend all National Board Meetings and Conference Calls. Calls are hosted every other month. If you are on a committee, additional calls will be hosted to discuss various projects. If serving as a field representative, you are required to attend Summer Leadership Retreat, make a visit to your chapter each semester, and support the chapter. In doing this, you will also be responsible for reviewing affiliate programs and grading National exams.

Interested Now?

If you're attending Convention, please attend the Beyond 4 Years Session to learn more about serving and speak with current board members about their experiences. If not, there will be a webinar on March 1st to attend, or you can reach out to the VPA, Amanda Cronin, directly for more details.

How do I Apply?

In addition to this application, please send a copy of your resume and cover letter. (Please use template below).
